TIMREX-MASTER.EU

T-Shaped Master Program for Innovative Mineral Resource Exploration

Supported by

Co-funded by the
European Union

Timrex

MSc in Mineral Exploration

TIMREX MOBILITY

Year 1

Year 2

SPECIALISATION

University of Miskolc

Geophysical methods and instrumentation for exploration

University of Zagreb - RGNF

Prospecting and exploration of non-metallic mineral resources

Wrocław University of Science and Technology

Applied skills in mining geology

Luleå University of Technology

Ore mineral exploration

@TIMREX_PROJECT

EIT LABELLED

Awarded the EIT Label in 2022

DOUBLE DIPLOMA

Graduates will be awarded a double or single Master of Science degree from University of Miskolc, Wrocław University of Science and Technology, the University of Zagreb and/or Luleå University of Technology (depending on the study pathway chosen by the student). Graduates will also receive the EIT Label Certificate

CREDITS

120 ECTS, 24 months

LANGUAGE

English

START

September 2024 or February 2025, depending on the chosen university for Year 1
